

Ms. Jeanie Greenwell

**Universities Space Research Association
Vice President
Finance & Administration and Chief Financial Officer**

Ms. Jeanie Greenwell brings over 25 years of financial experience and expertise in government contracting in both the for-profit and nonprofit sectors.

Greenwell joined USRA from Schafer Corporation where she served as Corporate Controller and Director of Strategic Pricing. Prior to Schafer, she was a Practice Leader for IBM Partners Breakaway Technologies for four years, providing expert insights and re-engineering business processes. Greenwell spent over 10 years at the Research Triangle Institute as Finance Director and played a significant role in planning, coordinating, directing and evaluating full-scope financial operations. Greenwell has her Bachelor of Science in Accounting from the University of Maryland.
